

GUIDELINES FOR CONTRIBUTORS TO CHILDREN AUSTRALIA

Contributions to *Children Australia* from those interested in the well-being of children, young people and their families are encouraged. The preferred length of paper submitted is 3500-4000 words. Longer papers on topics of particular significance may be accepted in consultation with the editors

Children Australia is included in the Department of Education, Science & Training Register of Refereed Journals. All papers submitted will be reviewed in accordance with DEST requirements as part of the process to objectively assess suitability for publication.

Manuscripts may be accepted for publication, returned for revision or rejected. However, every effort will be made to help authors bring their manuscript up to the required standard for publication. Minor amendments may be made by editorial staff following review to ensure that reasonable standards of content, presentation and readability are maintained. The editors' decision is final.

In addition to the above, *Children Australia* welcomes brief reports (500-1500 words) on program development, policy development or research. Acceptance for publication will be on the basis of review by the editorial team.

COPYRIGHT: Should your paper be accepted for publication, you will be contacted regarding copyright assignment to *Children Australia*.
