

2009
Volume 34
Number 1

Children
AUSTRALIA

SPECIAL EDITION

Featuring keynote addresses at the ACWA 2008 conference

Strong, safe & sustainable: Responding to children, young people and families in a civil society

In this issue ...

Child well-being in comparative perspective

Beyond safety and permanency

Making well-being a focus of policy and practice for children in state care

After the apology: Why are so many First Nations children still in foster care?

A summary of the research on ethnic over-representation and structural bias

Building community capacity for children, youth and families

Using prevention science to reduce the risk of child neglect

Continuous family assessment

How are you going? How are you going now?

Children AUSTRALIA

Volume 34
2009

Children Australia is a quarterly journal which aims to provide an opportunity for service providers, academics and others concerned with children, young people and families to report on their work, to raise issues and to share their views.

The views expressed in *Children Australia* are those of the authors, and are therefore not necessarily endorsed by the Editor or members of the national editorial board.
