Information Service

BOOK LISTS

The **ncba Information Service** has begun producing subject lists of books held in the collection. All the books listed are available for loan at the newly reduced subscriber price of \$3 each (\$9 for Nexus Only and non-subscribers).

To receive any booklist of interest to you, just tick the appropriate box (as many as you like), fill in your details below and send this form back to :

ncba Information Service, PO Box 686, Mulgrave North, Vic 3170

You can also order by telephone on 03 558 9100.

The lists available at present are as follows:

- foster care
- foster care & natural parents
- fostering adolescents
- books for children on health & welfare issues
- parenting
- social work management

New lists will be produced regularly and advertised through *NEXUS* and *Children Australia*.

ncba Information Service

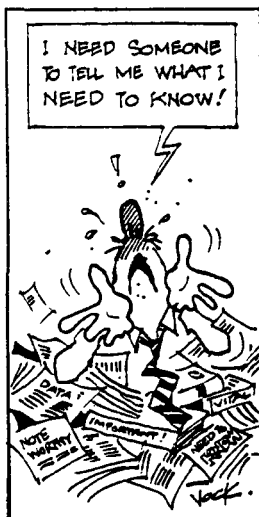

A comprehensive, efficient and personalised service designed specifically to meet the information needs of human service professionals concerned with children and families Australia-wide, the Information Service provides up-to-date information, targeted, in-depth and easily accessible.

The **Information Service database** is a unique and valuable resource enabling full access to the vast wealth of information contained within the Service's collection of books, journals and audiovisuals and covering a wide range of subjects, including:

- ▶ *child abuse/protection*
- ▶ *child/family legal issues*
- ▶ *adoption/fostering/substitute care*
- ▶ *domestic violence*
- ▶ *child/adolescent psychology*
- ▶ *family counselling/psychotherapy*
- ▶ *family relationships*
- ▶ *child rearing and parenting*
- ▶ *social work/management*

NEXUS is the Information Service's monthly publication which contains abstracts of over 200 recent journal articles drawn from 120 journal subscriptions. It also includes lists of new books and audiovisuals added to the collection; an index of pertinent information from Federal Hansard; and notification of conferences.

On request, the Information Service provides photocopies of articles; book and video loans; computer searches to meet specific subject demands; printed bibliographies; and a variety of other services - all designed to provide information to match our subscribers' needs.
